

II. CLIL MASTERY: Advanced Strategies for Deepening Content & Language methodologies

**Roberta Pennasilico,
Naples MH School**

Erasmus Formazione

course objective

Designed for experienced CLIL educators, this course delves into sophisticated CLIL methodologies, focusing on refining and introducing a large number of practical examples of effective strategies for maximum impact. Participants will elevate their knowledge of CLIL through innovative frameworks and practices from authentic curricula of diverse disciplines and learn how to adapt them to their own lessons and effective activities.

01

duration of course

April 2026,

02

meetings' tentative schedule
